**NEW  
LOCATION!**

MSRA's Kid's World sponsored by the Select Heartland Chevy Dealers will be happening all 3 days for 2022; and to increase the fun it also has a **new location in Block 15 on "Machinery Hill"** right in the middle of all your weekend cruising!

Provided by Fun Jumps Entertainment, Inc., there will be more to do than ever before. Kid's World will offer something for kids of all ages. From Bouncers for the little ones, to a Four Lane Rock Wall and Euro Bungy Interactive there is something for everyone.

Located close to food vendors, improved bathrooms and with benches for Mom, Dad and Grandparents to relax and watch the cars cruise by, this is your opportunity to let the young ones play until they are worn out.
